

Set Aside Prayer

Higher Power,
Please enable me to set aside
Everything I think I know
For an open mind and a new experience
Your will be done. Amen.

(Longer Version)

Higher Power,
Please enable me to set aside
Everything I think I know
about myself, about disease,
about the Big Book, the 12 Steps,
the Program, the Fellowship,
All spiritual terms and especially you;
So that I may have an open mind and a new experience.
Your will be done. Amen.
